Dear Beverly,

Brazilian Patent Application No. PI 8307428

Your ref: PM 1039 - Our file: 25749

I enclose a copy of a letter from Dannemann concerning an official action on which they ask for instructions not later than 27th February because they have an inextensible time limit to meet.

The objections are largely matters of form and I think could conveniently be dealt with by using claims based on those contained in the granted European Patent on this case. Copies of those claims are attached for your convenience, and I look forward to receiving your instructions as soon as possible.

Yours sincerely,

P.A.SMITH
